    class com_mysql_jdbc_BufferRow["com.mysql.jdbc.BufferRow"]
    class com_mysql_jdbc_ResultSetRow["com.mysql.jdbc.ResultSetRow"]
    com_mysql_jdbc_BufferRow --|> com_mysql_jdbc_ResultSetRow
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'com.mysql.jdbc.BufferRow'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'com.mysql.jdbc.ResultSetRow'. This indicates that 'com.mysql.jdbc.BufferRow' inherits from 'com.mysql.jdbc.ResultSetRow'.
