

com.mysql.jdbc.JDBC4Connection.createBlob

com.mysql.jdbc.JDBC4Multi
HostMySQLConnection.createBlob

```
graph LR; A[com.mysql.jdbc.JDBC4Multi  
HostMySQLConnection.createBlob] --> B[com.mysql.jdbc.JDBC4Connection.createBlob]
```

A diagram showing a call from `com.mysql.jdbc.JDBC4Multi` to `com.mysql.jdbc.JDBC4Connection`. The call is represented by a blue arrow pointing from the right box to the left box. The right box contains the text `com.mysql.jdbc.JDBC4Multi` and `HostMySQLConnection.createBlob`. The left box contains the text `com.mysql.jdbc.JDBC4Connection.createBlob`.
