

com.mysql.jdbc.MultiHost
MySQLConnection.resetServerState

```
graph LR; A[com.mysql.jdbc.MultiHost  
MySQLConnection.resetServerState] --> B[com.mysql.jdbc.Connection.reset  
ServerState];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box is shaded gray and contains the text 'com.mysql.jdbc.MultiHost' and 'MySQLConnection.resetServerState'. The right box is white and contains the text 'com.mysql.jdbc.Connection.reset' and 'ServerState'. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.

com.mysql.jdbc.Connection.reset
ServerState
